

ASEAN-KOREA CENTRE

**2017 ASEAN-Korea Youth Network Workshop**  
*Promoting the Clean and Green Environment through Establishing Environmentally Sustainable Cities*  
3-13 July 2017 | Incheon and Seoul, Korea

*Draft as of 10 April 2017*

**1. Background**

ASEAN and Korea, as key partners, are committed to closely work together, particularly in the environmental area to ensure the sustainability of their cities. In the *ASEAN-Republic of Korea Plan of Action to Implement the Joint Declaration on Strategic Partnership for Peace and Prosperity 2016-2020*, their governments outline the enhancement in cooperation in environmental management for sustainable development including environmentally sustainable cities.

Acknowledging the importance of promoting the creation of sustainable urban areas, especially for the youth, the ASEAN-Korea Centre is gathering around 150 ASEAN and Korean students for the 2017 ASEAN-Korea Youth Network Workshop, which will be held under the theme of "Promoting Clean and Green Environment through the Establishment of Environmentally Sustainable Cities." With the objectives of promoting awareness of ASEAN, ASEAN-Korea relations, and environmentally sustainable cities as well as forging friendship among the participants, the Workshop will be held in Korea and Malaysia. The program will be offering valuable lectures by experts, visits to theme-related and cultural sites, and team-building activities, aiming to leave the participants a memorable learning experience.

**2. Objectives**

- Further promote awareness on ASEAN and ASEAN-Korea relations in the context of Environmentally Sustainable Cities
- Enhance active networks and forge genuine friendship among the ASEAN and Korean youth towards a shared future
